WIRE PUNCH AND BINDING MACHINE - PROFESSIONAL

FEATURES :

- Master Selector : Precisely and quickly determine the appropriate pitch, wire size, closing position, and depth margin .
- Adjustable Depth Margin Control : Provide documents with the correct punched depth margin for optimal paper thickness and wire diameter ratio.
- Wire Holder : Hold the wire in position for quick and easy insertion of punched sheets onto the wire.
- Open Ended Punch Throat & Extended Punching Guide : Allows easy alignment & punching of longer documents.
- Side Margin Control : Easy alignment of paper before punching.
- Fully Disengaging Pins : Quick and easy adjustment of punching length.
- Wire Closer Control : Accurate closer adjustment guarantees a perfectly bound document.
- Thumb Cut Punching : Specifically for binding calendars with hangers.
- Heavy-Duty Punch Motor (WireMac-E version) : Heavy-duty motor with the thermal overload protection to prevent down time.
- Electric Anti-Jam (Reverse) Function (WireMac-E version) : For trouble free punching.
